IN THE KNOW ON THE MOVE

Ingenious time and activity dials help you decide what your next move should be.

Pocket size coaching

SAVES YOU TIME AND TROUBLE

Whether you live in the fast lane or at a more relaxed pace, Activité Pop works with and for you.

NO MORE RESETTING

Activité Pop automatically syncs to your smartphone to always display the correct time.

NO MORE TIME ZONE PUZZLES

Jet-lagged after a long flight? No need to piece together the correct time zone. Once you have landed, Activité Pop automatically displays the local time.

NO MORE CHARGING

You don't want another cable or dock in your life. Activité Pop works on a standard button cell providing 8+ months of battery life.
