

NEW! SPOT Gen3™

The latest generation of award-winning SPOT devices, SPOT Gen3 gives you a critical, life-saving line of communication using 100% satellite technology.

- ▶ Improved Performance
- ▶ Motion Activated
- ▶ Unlimited Tracking
- ▶ Extreme Tracking
- ▶ Longer Battery Life
- ▶ USB Power Input

When your adventures take you beyond cell service, SPOT Gen3 lets family and friends know you're ok or sends emergency responders your GPS location, all at the push of a button. Add this rugged, pocket-sized device to your essential gear and stay connected wherever you roam. Long live adventure.

Enhanced Services ONLY available with SPOT Gen3:

SPOT Gen3's customized tracking features takes your SPOT experience to the next level. Only with SPOT Gen3, is tracking motion-activated regardless of the level of tracking you choose (Basic, Unlimited or Extreme). A vibration sensor tells your SPOT to send track updates when you are moving and to stop when you do. (This is a great new battery-saving feature! And, you don't have to remember to re-set your tracking after 24 hours.)

New Tracking Options:

Unlimited Tracking Set it and forget it. Pre-set your SPOT Gen3 to send tracks at the speed of your adventures. Change your tracks to send every 5, 10, 30, or 60 minutes. SPOT Gen3 will send tracks at your chosen rate for as long as your device is turned on and moving (no need to re-set after 24 hours). Tracking doesn't stop until you do.

Extreme Tracking Get all of the great features of Unlimited Tracking, but with the added ability to vary your track rate down to every 2 1/2 minutes. Don't miss a step with increased track rates!

Enhanced Features ONLY available with SPOT Gen3:

Longer Battery Life SPOT Gen3 has approximately twice the battery life of the SPOT Satellite GPS Messenger!

Battery Options Now there are more options for how you power your SPOT:

- 4 AAA Energizer® Ultimate Lithium 8x Batteries (LR92)
- 4 AAA Energizer® NiMH reusable batteries (NH12)
- Line power with a 5v USB connection. (SPOT Gen3 is not waterproof when line powered.)
