FLOATY For HERO4 Session

This easy-to-spot flotation wraps around your HERO4 Session to keep it afloat. It's specially designed to protect your camera, while also giving you easy access to the shutter button. Floaty is perfect for worry-free shooting in and around the water while surfing, snorkeling, wakeboarding and more.

THE STRAP Hand + Wrist + Arm + Leg Mount

Strap your GoPro to your hand, wrist, arm or leg to capture hands-free ultra immersive POV footage, one-of-a-kind selfies and more. Includes an extended strap that fits around your arm, leg or larger objects. Features 360° rotation and tilt that let you adjust your capture angle on the fly.

CASEY Camera + Mounts + Accessories Case

Casey is the perfect GoPro travel and storage solution. It fits inside a backpack, but is large enough to carry your HERO cameras, mounts and accessories. The water-resistant, semi-rigid shell guards against light rain and snow. A padded interior protects your camera, while removable dividers let you create customized compartments.
